Available in four colors!

Stock Numbers:

DIDE05GG	Green
DIDE05RR	Red
DIDE05NN	Orange
DIDE05BB	Blue

XL Size, XL Fun, XL Speed

Looking for BIG, bold flying fun? Look no further than the Dromida XL. Extra-large and in charge, the XL takes aerial adventure to thrilling new heights. One push of the Auto Takeoff/Landing button makes the XL soar up to 2 meters in the air; another button-push safely brings you back down to Earth. Pushing "Altitude Hold" lets you hover in place without any hassles. There's even an Auto-Flip feature so you can execute flawless flips instantly.

Specifications:
Diagonal: 370mm (14.6 in)
Weight: 450 g (15.9 oz)
Requires: Nothing!

KNOW FLY BEFORE YOU
