The all-new Rustler® 4X4 VXL is a hard-charging wheelie machine that captures the speed and classic style of the number-one-selling Rustler and injects it with brutal 4-wheel drive performance, increased durability, and even more fun! Bury the throttle and the Rustler 4X4 launches its front wheels skyward as it shreds the ground underneath.

Beneath the sleek clipless body, the heavy duty driveline delivers extreme Velineon® brushless horsepower. The larger Talon™ EXT wheels and tires provide versatility and grip for any terrain, from backyard trails to concrete skate parks. Rustler 4X4 VXL destroys convention to become the new performance and fun standard for 4x4 stadium trucks!

MODEL 67076-4: Rustler 4X4 VXL: 1/10 Scale 4X4 Stadium Truck, Fully-assembled, Waterproof electronics, Ready-To-Race®, With TQi™ 2.4GHz 2-channel radio system, Traxxas Stability Management®, VXL-3s speed control, and clipless painted ProGraphix® body. Requires: battery and charger.
